

# Individual makeover for her

Through empathetic analysis, Vibha and her team recognizes, evaluates and redesigns an identity, authentic to the client. We have identified this as our ABC program.

1. Accentuate strengths
2. Build and balance facial and body proportions
3. Camouflage magic

By choosing a combination of color and body analysis, wardrobe planning and personal shopping, a new style is defined, which reflects our client's personality, effectively communicating a sense of grace and self-confidence, a sure shot formula for success.
